Note—Evil-tempered persons and those who have a personal grudge to work off are frequently heard to say that they will "get even" with the Government by swearing falsely when they become citizens. Such persons should be warned that they are liable to punishment for perjury, and that if they become citizens by fraud they may be deported. Any person who has been naturalized illegally, or procured his naturalization illegally, may be proceeded against by the Government, and his certificate of naturalization may be cancelled by the District Attorney or proper officer of the court which granted it

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Vessel or line*).—Steamship lines should make no entries in this column. The space is for vessel Government officials only.

Column 4 (*Age*).—The age given in this column should be expressed in years or months, the latter if under one year. If under one month, write 1 day.

Column 5 (*Sex*).—Write "M" for male or "F" for female.

Column 6 (*Married or single*).—The manner denoted by M (married), S (single), Wd. (widowed), or D. (divorced).

EAST BOSTON, MASS.

Office of Inspector in Charge,
Providence, R.I., Jan. 18, 1923.

U. S. Immigration Service,
Ellis Island, N. Y. H.

In reply to your letters of December 23, 1921 and January 16, 1923 No. 98539/739, beg to inform you that this office located Mr. James Fisher ex SS Adriatic, your Port November 23, 1919 at 95 Westminster Street, Providence, R. I. He called at this office today for examination, and I am sending you herewith manifest accordingly. Mr. Fisher presented his British passport, which is duly visaed by the American Consular officer, and he also had in his possession Form 288.

Since arrival in this country Mr. Fisher has married, and is in business at the address given under the name of Grosslaw Fisher Co., Inc., of which concern he is Treasurer. I could see no possible reason why he should not be admitted to the United States as an alien passenger.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Vessel for states*).—Steamship lines should make no entries in this column. The space is for use of [illegible]

Column 3 (*Age*).—The age in this column should be expressed in years or months, the latter applying to infants under 1 year of age.

Column 4 (*Sex*).—Enter M (male) or F (female).

Column 5 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation of the alien. [illegible] If no occupation, the word "None" should be entered. Such terms as "laborer," "servant," "student," "clerk," "manufacturer," "gentleman," "merchant," "capitalist," "agent," "farmer," and "boy" are indefinite and unsatisfactory. The word "laborer" should be made to include only persons who work at the rough manual labor of the world, such as farm laborers, factory laborers, and coal miners. The word "servant" should be made to include only persons who render domestic service, such as cooks, waiters, and housemaids. The word "student" should be made to include only persons who are attending some institution of learning and who have been duly matriculated as students therein. The word "clerk" should be made to include only persons employed in offices, stores, and other establishments as salesmen, accountants, bookkeepers, stenographers, typewriters, and the like. The word "agent" should be made to include only persons who are engaged in the business of buying and selling property for others. The word "boy" should be made to include only male persons under 16 years of age who are employed at ordinary labor. The word "farmer" should be made to include only persons who own, hire, or cultivate farms. The word "merchant" should be made to include only persons who are engaged in the business of buying and selling merchandise for themselves or others. The word "gentleman" should be made to include only persons who live upon their income, regardless of the amount of money they have or claim to have.

A question mark (?) should be made in connection with any entry specifying an occupation which calls for explanation.

A separate line should be used for each alien, and no blank lines should be left between the names of aliens mentioned in different groups.

Columns 8 and 9 (*Nationality and race*).—Nationality and race are frequently confused, and the distinction between them should be carefully observed. If necessary to do so, the agent should ascertain from the alien the country of which he is a subject or citizen, and the race to which he belongs. The answer to Question 8 should be "Russian," "German," "English," "French," "Italian," "Spanish," "Portuguese," "Chinese," "Japanese," "Turkish," "Hindu," "Scotch," "Irish," "Welsh," "Dutch," "Flemish," "Belgian," "Swiss," "Norwegian," "Swedish," "Danish," "Finnish," "Greek," "Syrian," "Arabian," "Egyptian," "Mexican," "Cuban," "West Indian," "Central American," "South American," "Portuguese American," "Spanish American," "African (black)," "Other Africans," "Australian," "New Zealand," or such other designation as may be necessary to indicate correctly the nationality of the alien. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy [illegible] compartments of Piedmont, Lombardy, Venetia, and Emilia, and those descendants, whether [illegible] up there. Natives of Trentino, Istria, Trieste, or any other country should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po [illegible] compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, and Sicily, and those descendants, whether [illegible] up there. Natives of Corsica should be classed as "Italian (south)."

Column 10 (*Last permanent residence*).—The answer to this question should be the country of last permanent residence of the alien, if any. Travelers' visits to other countries for business or pleasure, extending over short periods of time, should not be considered as permanent residence. Temporary residence of students, members of scientific institutions, or persons traveling for their health should not be considered as permanent residence of the alien. Residence of persons employed by the United States Government, by State governments, by large business houses, or by newspapers, as correspondents, should be considered as permanent residence. The last permanent residence of a married woman is usually where her husband has his permanent residence, and that of a child usually where its parents have their permanent residence. If the alien has resided in the last permanent residence for one year or more, it should always be considered sufficient to answer the question. It should always be sufficient in answering questions of permanent residence to state the country. Mere visits to a country for the purpose of transacting business, pleasure, or health, or as a member of a scientific institution, or as a correspondent for a newspaper, or as a representative of the United States or other Government, should not be considered sufficient to establish a country as the last permanent residence of the alien.

Column 11 (*Final destination*).—The answer to this question should be the country where alien expects to reside permanently. The answer should not be "United States" unless the alien has a definite knowledge of a permanent residence in the United States, such as the home of a relative or friend. In case such relative is living, give name and address of friend.

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative is living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question should show the intended future permanent residence. An intended residence of one year should constitute permanent residence. The words "United States" mean the States and Territories of the United States, exclusive of the insular possessions of the United States, but including the District of Columbia. It includes the United States.

Column 14 (*If alien was previously in the United States, when and where?*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*If alien was passage paid*).—The entry should show definitely by whom passage was paid, as "self," "father," "mother," "brother," "sister," "husband," "wife," "friend," "employer," "steamship company," etc.

Column 16 (*How much money has alien with him?*).—The entry should show the amount of money in each case [illegible] $ 5 [illegible] or more. The word "none" should be entered in each case where no money is possessed. Money brought by the head of a family should be included in the amount given by him. Money brought by the head of a family should not be included in the amount given by any member.

Column 17 (*Whether going to join a relative or friend, and if so, where?*).—The entry should show whether the alien has been in the United States before, and if so, when and where.

Column 18 (*Whether ever in the United States before, and if so, when and where?*).—The entry should show whether or not the alien has ever been in the United States before, and if so, the year or period of years and place or places where.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend?*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—These questions are self explanatory and the answers, like all others on the sheet, are required to be written in the English language. However, if answering questions in relation to [illegible] has been [illegible] and the person of [illegible] has authorized him to reapply for admission, the authority for such reapplication should be given.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization or association teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who believes in the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or any other organized government, because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, J. R. PATTON, MASTER, of the STEAMSHIP "ATLANTIC", from [illegible], do solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said Surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

J. R. Patton

MASTER Officer.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien aged, as, for example, Coal engineer, stationary engineer, locomotive engineer, farmer, engineer, brass polisher, steel polisher, gear sticker, wood turner, etc., and not simply as "engineer," "polisher," "worker," "turner," or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the primary examination of aliens generally.

Column 8 (*Able to read and write*).—This column usually contains the following question: "Can read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as race is used here.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence and country of birth, and inspectors should be especially instructed by supervising and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Latium, Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or intended residence of one year should constitute permanent residence. The last country in which alien resided with intention of remaining one year or more should be the last permanent residence regardless of length of actual residence there. The answer in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50, and if less than much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place, as, 1906, New Philadelphia.

Column 18 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show who (or going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

## AFFIDAVIT OF VERIFICATION

I, [illegible], Surgeon of the S.S. "ALSATIAN", [illegible], do solemnly, sincerely, and truly state that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such in and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

[illegible]

Sworn to before me this 22nd day of November, 1910

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens listed on the manifest shall be noted on the manifest before it is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

## LIST OF RACES OR PEOPLES

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, clerk, engineer, shoemaker, lawyer, machinist, merchant, tailor, mason, blacksmith, boot maker, iron moulder, wood turner, etc., and not simply laborer, gentleman, mother, farmer, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship representatives will make this distinction on the manifests and corrections should be made, if necessary, by inspectors and passenger clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or, if exemption is claimed, state what ground)?" In answering this question the language or recognized alphabet to which the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien said that

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and passenger clerks in this regard. For instance, "France" is sometimes under the head of country designated means "French" by race or people, and, similarly, "French" sometimes under the head of race or people does not mean "France" by country. An Irish German, or Hebrew alien by race or people, is properly classified under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or intended residence for one year or more, not visits to permanent residence. The last country in which alien resided with the intention of remaining for one year or more, not visits to permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (or blank).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*If in possession of $50 and if less than $50*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States and if so, when and where*).—The entries should show whether or not "Yes" or "No" in the United States before, and if so, the year or period of years and place, as "1906, New Orleans."

Column 19 (*Whether going to join relative or friend and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 28, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officers only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of the alien. Avoid such indefinite terms as laborer, engineer, mechanic, manufacturer, clerk, etc. Do not use the word "gentleman" or "lady." If a child, state "child." If the occupation is that of a servant, state whether domestic servant, waiter, valet, etc. If a laborer, specify whether agricultural laborer, general laborer, or laborer in some specified industry. If a skilled worker or engineer, specify the kind, as machinist, millwright, mining engineer, stationary engineer, etc. If a farmer, specify whether he owns or rents the farm he operates. If a seaman, specify whether sailor, fisherman, or boatman. If a merchant, specify whether wholesale or retail, and name the principal article in which he deals. If a manufacturer, specify the principal article manufactured. If a clerk, specify whether bank clerk, shop clerk, etc. If a student, specify whether school, college, or university student. Do not return as students children who attend school regularly. If a boy is employed, specify whether he is errand boy, cash boy, bell boy, newsboy, bootblack, etc. If a girl or woman is employed, specify whether she is servant, stenographer, typewriter, saleswoman, factory operative, etc. If a dressmaker, milliner, or seamstress, specify whether she works by the piece or day, and for a firm or for individuals. If a teacher, specify whether primary, grammar, high school, college, or professor. If a clergyman, specify his denomination. If a physician, specify whether graduate of medicine or graduate of dentistry. If a lawyer, specify whether graduate of law or notary public. If a musician, specify whether professional or teacher. If an artist, specify whether painter, sculptor, or designer. If a scientific man, specify whether chemist, astronomer, etc. If a literary man, specify whether author, editor, or journalist. If a theatrical performer, specify whether actor, actress, or showman. If a person of rank or title, state the rank or title. If a person of property, state whether owner of real estate or other property. If a person of leisure, specify whether living on income or pension. If unemployed, state the last occupation. If a child or invalid, state "child" or "invalid," as the case may be.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and agents, each time during the personal examination of aliens at ports.

Column 8 (*Able to read and write*).—This column is intended and contains the following question: "Read what language (or if exemption is claimed, mean what ground)?" In answering this question the inspector or student the alien is liable to read [illegible] he stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and answers should be carefully revised by immigrants and inspectors alike in this regard. For instance, "Hungarian" appearing under the head of "country to which" does not mean "France" by courtesy. An Irish, German, or Hungarian under the head of "race or people

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officers only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Coal engineer, stationary engineer, locomotive engineer, mining engineer, linen polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other trade term of description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as in hand.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should revise this classification on the manifests and corrections should be made, if necessary, by inspectors and country clerks during the personal examination of aliens arrivals.

Column 8 (*Able to read and write*).—This column necessarily behind contains the following question: "Read some language?" If exemption is claimed upon what ground? In connection with this question the language or script the alien is able to read should be stated. Failure to read is to be and claims the language or script the alien is able to read should be stated. Failure to read is to be and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs.

Special attention should be paid to the distinction between race and the country of which a citizen or subject, country of last permanent residence, and country of birth, and questions should be carefully answered by inspectors and steamship clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and similarly, "French" appearing under the head of country does not mean "France" by country. An Irish, German, or Russian alien by this head of race or people does not mean "France" by country. An Irish, German, or Russian alien by race should properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Mexico or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and Bourbon descendents, in the pending in [illegible] land, Austria-Hungary, or any other country should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendents) should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A resident of an English-speaking country for a period of many years is presumed to have acquired a permanent residence there, regardless of his intentions of returning some time. The citizen or more who has the last permanent residence regardless of his intentions of returning some time. In column 11 should show the country and city or town of his last permanent residence. It recommended for statistical purposes that steamship companies accurately show countries of last permanent residence independent of temporary residences, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. Temporary visits shall show destination the place only for which all intended future permanent residence, if within the United States, country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, other relatives friend, steamship company, etc.

Column 16 (*Whether in possession of $50 and if less how much*).—The answer should be yes in each case (indicating) or failure to the exact amount of money shown. Money brought by the head of a family should not be credited to the other members of the family.

Column 17 (*Whether ever before in the United States and if so, when and where*).—The entries should show whether or not Yes or No in the United States before, and if so the year or period of years, and place, as 1903, New Philadelphia.

Column 18 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to inquiry by inspection officers in the examination of aliens. However, in answering question 26, if alien has deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

*Column 2 (Head tax status).*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

*Column 4 (Age).*—The answer to this column should be expressed in years or months, the latter applied only to those under 1 year of age.

*Column 5 (Sex).*—The entry should be either M (male) or F (female).

*Column 6 (Married or single).*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

*Column 7 (Calling or occupation).*—The entry should describe as accurately as possible the occupation, trade or profession of each alien arrived, as "farmer," "farm laborer," "servant," "mason," "engineer," "stone cutter," "tailor," "clerk," "shoemaker," "baker," "merchant," "painter," "gardener," "blacksmith," "miner," or other specific designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown to be possessed.

A person owning a plantation is a farmer, either for himself or for others.

A farm laborer is one who works on a farm for the owner or for a proprietor.

Should questions concerning calling or occupation appear to require investigation, or should corrections be made, if necessary, by inspectors, the investigation and corrections should be made during the preparation or examination of alien arrivals.

*Column 8 (Nearest final destination).*—The entry should show the city, town, or village of intended future residence. If destination is in the United States, the name of the State should be given. If alien is unable to state definitely the place of intended residence, the entry should show the name of the State in which he intends to reside, or "undetermined."

*Column 9 (Nationality).*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

*Column 10 (Race or people).*—See list of races printed on back of this sheet. The entry should show the race or people to which he belongs.

Special attention is directed to the distinction between race and the country of which citizen or subject, country of last permanent residence and country of birth, and questions should be carefully framed by inspectors and answers noted accordingly. For instance, "France" as entry under head of "country where born and race" is not sufficient. The race or people, under the head of "race or people," should be more specifically described as "Basque," "Breton," "Alsatian," "Norman," "Celtic," "Teutonic," "Gascon," "Provençal," "Parisian," etc. Again, "Germany" as entry under the head of "country where born and race" is not sufficient. The race or people, under the head of "race or people," should be more specifically described as "Bohemian," "Moravian," "Saxon," "Prussian," "Bavarian," "Hanoverian," "Hessian," "Wurtemburger," "Alsatian," "Pomeranian," "Schleswig-Holsteiner," "Oldenburger," "Mecklenburger," "Hamburger," "Westphalian," "Rhinelander," "Austrian," "Hungarian," "Croatian," "Slavonian," "Dalmatian," "Galician," "Polish," "Ruthenian," "Finnish," "Lithuanian," "Courlander," "Livonian," "Esthonian," "Roumanian," "Servian," "Montenegrin," "Bulgarian," "Turkish," "Armenian," "Greek," "Albanian," "Russian," "Croatian," "Spanish," "Portuguese," "Italian (North)," "Italian (South)," "Arabian," "Syrian," "Persian," "Afghan," "Hindu," "Chinese," "Japanese," "Korean," "Indian (Hindu)," "Negro," "Polynesian," "Indian (native)," or other race or people, as the case may be. Under no circumstances should the general term "European," "Asiatic," "African," "Oriental," "Latin," "Slavonic," "Teutonic," "Semitic," "Mongolian," "Caucasian," "Hebrew," or "Celtic" be used, as the use of any of these terms will not indicate correctly the race or people of any alien.

*Column 11 (Last permanent residence).*—If alien has lived in but one country for one year or more, write the name of that country. If he has lived in more than one country for one year or more, write the name of each country. If he has lived in no country for one year, write the name of the country in which he lived longest during the last five years. Do not answer by the word "Europe," "Asia," "Africa," "America," "Australia," or "Turkey."

*Column 12 (Name and complete address of nearest relative or friend in country whence alien came).*—The entry should give name and address of such relative or friend in full. If alien has no relative living, give name and address of friend.

*Column 13 (Final destination).*—The answer to this question shall show the intended future permanent residence. An intended residence of one year should constitute permanent residence. Transit should show destination. Deportees have no intended future permanent residence, if within the United States, contrary to law, should be classed as remaining in the United States.

*Column 14 (If going to the United States, whether to join relative or friend, and if so, what relative or friend, and his name and complete address).*—The answer should be either Yes (ticket) or No (ticket).

*Column 15 (By whom was passage paid).*—The entry should show definitely by whom passage was paid, as self, friend, other relative, or other person (name, relationship, or otherwise).

*Column 16 (Whether in possession of $50, and if less how much).*—The answer should be given in each case (and the fact stated if no money is had), and the amount shown in figures. Money brought by the head of a family should not be credited to other members of the family.

*Column 17 (Whether ever before in the United States, and if so, when and where).*—The entries should show whether each person named has been in the United States before, and if so, the year (or period of years), and place (as "1903, New York").

*Column 18 (Whether coming to join relative or friend, and if so, what relative or friend).*—The answer should show whether each person is coming to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 19 to 22.*—These questions are self explanatory, and the answers (like all others on the sheet, are required to be given for inspection officers in the examination of aliens. The answer, in addition to question 20, if alien has been deported within one year, should show whether Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia) and those born in other parts of Italy, but of parents of this blood. A native Piedmontese, or any other Venetian, should be classed as "Italian (North)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Latium, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily and Sardinia) and those born in other parts of Italy, but of parents of this blood. A native Neapolitan, or any other native of Southern Italy, should be classed as "Italian (South)." Most of these people speak a Latin dialect of the Italian language.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. This space is for use of Government officials only.

Column 4 (*Age*).—Age opposite to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as for example, clerk, engineer, stenographer, seamstress, bookkeeper, farmer, merchant, tailor, servant, laborer, weaver, carpenter, shoemaker, blacksmith, painter, glazier, sailor, barber, baker, butcher, miner, etc., and not simply as laborer, gentleman, lady, servant, student, or child.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer (meaning a man working on a farm) is one who cultivates it.

Stewards' manifests should name "Steward" as the term to be used.

Illegible, illegal, or improper entries should be corrected, and corrections should be made, if necessary, by the inspectors and physicians during the progress of examinations at ports of arrival.

Column 8 (*Able to read and write*).—This column should be checked only in answering the question: "Can read what language?" If every alien is examined upon what he reads, the question of the ignorance or skilled illiteracy of the alien can be readily determined. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race, people, or kindred to which it said belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject. Country of last permanent residence and country of birth also should be carefully noted by inspectors and recorded as shown in this respect. For instance, "France" appearing above the head of column 9 (nationality) means, in the case of a native born Frenchman, that he is a citizen of France; but it does not indicate whether he is a native of Alsace, Germany, or Switzerland, or of some other country. It is proposed to segregate the Irish, Scotch, and Welsh from the English, Scotch, and Welsh, and to require that each of these races be recorded separately. The following distinctions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia and those immediately adjacent, with the exception of the island Sardinia). Aliens of this race, or who are natives of Italy, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their immediate descendants, no matter in what country born.

Column 11 (*Last permanent residence*).—Answer as to country of residence, not as to place of birth. Many aliens have lived in other countries for years, and sometimes generations, without acquiring a permanent residence therein. Care should be taken to ascertain the last permanent residence in order to avoid errors in reporting the country and city or town of last permanent residence. It should be borne in mind that the mere intention to acquire residence in a country does not constitute residence for statistical purposes, but that actual residence for a year or more is necessary to constitute residence sufficient to warrant the assumption that the alien has become habituated to the customs and modes of life of the country in which he has resided. Temporary visits to the United States by persons who have resided in other countries for short periods only should not be recorded as indicating residence in the United States.

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If such relative is living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question should show the intended future permanent residence. An intended residence of one year should constitute permanent residence. Persons should show destination to same city or town of intended future permanent residence, if within the United States, country if outside the United States.

Column 14 (*If coming having a ticket to such final destination*).—The answer should be either Yes (ticket) or No.

Column 15 (*If not, whether in possession of $50 and if less how much*).—This entry should show whether the alien has money, and how much. Money brought by the head of a family should not be included among the moneys of the members.

Column 16 (*If ever in the United States before, and if so, when, and where*).—The entries should show whether or not the alien has been in the United States before, and if so, the year (or period of years) and place, as "1903, New York."

AFFIDAVIT OF THE MASTER OR OTHER OFFICER, OR AGENT OF STEAMSHIP LINE

I, [illegible], Master, of the [illegible] "Lapland", from [illegible], do solemnly swear (or affirm) that I have caused the surgeon employed by the Steamship Company to make a physical and mental examination of each and every of the aliens named in the [illegible] List or Manifest of Aliens, in numbers 1 to [illegible] inclusive, and that from the report of said surgeon and from my own examination, I believe that no one of said aliens mentioned in such List or Manifest is of any of the classes excluded from admission into the United States by the Immigration Act, and that, according to the best of my knowledge and belief, the information in said List or Manifests concerning each of said aliens named therein is correct and true in every respect.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3 (*Age*).—The entries in this column should be expressed in years or months, the latter applying to infants under 1 year of age.

Column 5 (*Sex*).—The entries should be either M (male), or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien above 15 years of age. Do not enter laborer, farmer, housewife, or child, unless the person actually belongs to one of these classes. Persons formerly engaged in some trade, profession, or occupation, but temporarily unemployed, should have the entry describe the occupation, trade, profession, or kind of work at which they usually earn their living, such as bookkeeper, carpenter, clerk, dressmaker, engineer, farmer, laborer, lawyer, locksmith, machinist, merchant, miner, minister, nurse, physician, salesman, seamstress, stenographer, tailor, teacher, tinsmith, weaver, wood worker, etc., and not simply "laborer," "clerk," "servant," "student," or "housewife."

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for another who operates it.

Stewards and cooks should be so described. Ladies' maids, valets, nurses, and waiters should be described as such. Persons having no occupation, trade, profession, or particular kind of work should be entered as "none." Entries of "servant" or "waiter" are insufficient.

Column 8 (*Able to read and write*).—This column may be left blank if the answer to the question: "Read what language or tongue?" is entered in column 9, but if not so entered the question should be answered. If alien cannot be read and questioned intelligently through an interpreter, the reason for such examination should be given.

Column 9 (*Nationality*).—A person's nationality should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs.

Special attention is invited to the distinction between race and the country of which citizen or subject. Country of last permanent residence and country of birth and nationality should be carefully watched for inconsistencies and reported in this regard. For instance, a person appearing under the heading of country from which he comes as "Canada" is a native of Canada, and accordingly a "French" or possibly "English" or "Irish" subject, and not a "Canadian." Likewise a person coming from "Germany" may be a Pole, Bohemian, Hebrew, Russian, or Finn, and not a German, and should be reported accordingly. Persons coming from "Scotland" are "Scotch," not "British," and persons coming from "England" are "English," not "British," unless they are natives of Scotland, Ireland, or some other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South American Republics, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and Carli (Tuscan dialects, who "round off" the final vowels). Austrians, Hungarians, or any others coming, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartiments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, and Sardinia) and those who speak the Neapolitan dialect.

Column 11 (*Last permanent residence*).—The answer should be the country of which alien is a permanent resident. The last country in which alien resided with intention of remaining permanently or for an indefinite period, and from which he emigrated to the United States, is to be considered the country of his permanent residence irrespective of sojourns of temporary residence in country of birth, nationality, or race.

Aliens who are permanent residents of Canada who are not permanent residents of the United States and are coming to the United States should be recorded "Canada."

Columns 12, 13, and 14 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry required is the name and address of such relative. If no such relative is living, give name and address of friend.

Column 15 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of less than 2 years does not constitute permanent residence.

Columns 16 and 17 (*Whether going to join a relative and name and complete address of such relative*).—The answer should show definitely the name and complete address (including street and number, if possible) of the relative to be joined. Mere initials or abbreviations will not be accepted, as the correct spelling of the name may be essential to locate the relative in case of the alien's detention.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show by the word Yes or No as to the United States before, and if so, the year (or period of years and place, as "1906, New York," "1907–1908, Chicago," etc.).

Column 19 (*Whether going to join a relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 25.—These questions are self-explanatory and the answers like all others on the sheet are subject to verification in the inspection of aliens. However, to answer question 25, if alien has been deported within one year and the secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

I, [illegible], Surgeon of the [illegible], [illegible],
solemnly, truthfully and fully [illegible] that I have had [illegible] opportunity
and the power, and that I do exercise it to ascertain by such questions as I deem proper the nationality of
[illegible], and that I have made a personal examination of
each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according
to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical
condition of such aliens.

I(4)

Sworn to before me this 2nd day of November, 1910

(Signature of inspector of immigration or other officer authorized to administer oaths)

NOTE.—If any material error is found in this affidavit or certificate, it will be corrected before an immigration officer at port of arrival, and any changes that may have occurred en route in the [illegible]

If the alien named herein be found, on examination at the port of arrival, to show any material change in [illegible] since the date of this affidavit, he will be detained for further examination as to whether he was in such condition when leaving the port of departure before some officer authorized to administer oaths.

## LIST OF RACES OR PEOPLES

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd. (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, be it commercial, professional, skilled or unskilled, or no occupation, stating whether laborer, engineer, farmer, professor, writer, clergyman, lawyer, physician, servant, tailor, tinsmith, weaver, carpenter, housekeeper, wood turner, etc., and not merely laborer, farmer, merchant, manufacturer, gentleman, lady, etc.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the asset, wage, or commission.

Steamship companies should make this distinction and instructions and corrections should be made, if necessary, by inspectors and reviewing officers during the examination of alien arrivals.

Column 8 (*Able to read and write*).—This column should be ruled and contains the joint question: "Read what language or, if illiterate, what is dialect (if not write) (if)." In answering this question the language or dialect the alien can read should be stated. If alien is illiterate but claims exemption from the reading requirements, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country to which entry should be consularly viséed by inspectors and reviewing officers in this regard. For instance, Syrian or passenger under the head of country does not mean "French," by race or people, and similarly, Scotch, Irish, or Welsh under the head of another people does not mean "English" by race or people, but Scotch, Irish, or Welsh, as the case may be. Persons of these races should properly come under the heading of England (continental), or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and those immediately adjacent to them on the mainland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Latium, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and likely communities should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A final or permanent residence is one where the alien has resided for the past year and intends to remain permanently. The last country in which a person has resided before coming to the United States for a temporary visit only, or as a traveler in transit, is not the country of last permanent residence, or that to which the entry should be consularly viséed by inspectors and reviewing officers in this regard. For instance, Syrian or passenger under the head of country does not mean "French," by race or people, and similarly, Scotch, Irish, or Welsh under the head of another people does not mean "English" by race or people, but Scotch, Irish, or Welsh, as the case may be. Persons of these races should properly come under the heading of England (continental), or any other country. In this connection the following distinctions should be especially observed:

Column 11 should show the country and city or town of last permanent residence. It generally is for statistical purposes that steamship companies ascertain and show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded as "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. Any intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States country, if outside the United States.

Column 15 (*If either having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*If by whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 17 (*If in possession of $50, and if not, how much*).—The answer should give in each case (with reference to being provided with sufficient funds). Money brought by the head of a family should not be classified among the several members of the family.

Column 18 (*If ever in the United States and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1906, etc., Pittsburgh.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 32.—These questions are self-explanatory and the answers, like all others on the sheet, are required to correspond by numbers shown in the corresponding column. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use at the immigration station only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying to children under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, calling, or profession of each alien arriving, as for example, coal engineer, lumberman, merchant, miner, engineer, farmer, laborer, tailor, seamstress, wood turner, etc., and not simply "laborer," "gentleman," "farmer," or "driver," "servant," or "domestic."

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown on hand.

A person living who operates a farm, either for himself or for others.

A farmer is one who owns or rents a farm and cultivates it.

A farm laborer is one who works on a farm for hire, but does not cultivate it.

Steamship companies should scrutinize the answers in this column carefully, and corrections should be made, if necessary, by interrogation and replies. Under no circumstances should the question: "Read and write?" be answered "Yes" unless the alien is able to read and write. The question: "Read what language or dialect?" if answered "Yes," should be answered by the name of the language or dialect with which the alien is familiar. If alien is unable to read and write, the words "Cannot read" or "Cannot write," as the case may be, should be entered. Under no circumstances should the words "Can read" or "Can write" be used.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race to which each alien belongs, as stated.

Special attention is called to the distinction between race and the country of which citizen or subject, as entered under preceding question, because the two frequently differ. The words "Russian," "German," "French," and the like should not be entered as races. ## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use by immigrant officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example, Clerk, engineer, shoemaker, merchant, farmer, laborer, tailor, servant, barber, blacksmith, carpenter, cook, tailoress, housekeeper, seamstress, milliner, dressmaker, waiter, painter, sailor, weaver, etc., and not general terms, such as "laborer," "mechanic," "manufacturer," or "dealer."

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one doing work on a farm, being paid a fixed wage or working for a share of the crop.

Stewardesses on vessels should not be described as such, but as cooks, and corrections should be made, if necessary, by inspectors and reported to the proper commissioner of immigration.

Column 8 (*Nationality*).—The entry should be the name of the country to which the alien belongs. "Russia" should not be used for Finns, Lithuanians, Poles, Jews, or others who are natives of parts of the Russian Empire, but who are not Russian subjects. "Austria-Hungary" should not be used for Austrians, Hungarians, Bohemians, Croatians, Slovaks, Dalmatians, Ruthenians, or others who are natives of parts of the Austro-Hungarian Empire, but who are not subjects of that Empire. "Turkey" should not be used for Armenians, Syrians, Arabs, or others who are natives of parts of the Turkish Empire, but who are not Turkish subjects. "Great Britain" should not be used for Scotch, Welsh, Irish, or English, but one of these names should be used.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs.

Special attention is called to the distinction between race and the country of which citizen or subject. Inasmuch as both questions, race or people, and country of birth, are important, aliens are commonly returned as belonging to certain races or peoples and natives of certain countries. ## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 3 (Age.)*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex.)*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single.)*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation.)*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, stone mason, wood turner, etc., and not simply as engineer, polisher, mason, turner, or other indefinite descriptions.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who owns or rents a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write.)*—Column 7 is subdivided and the entries therein should be either Yes. Yes (can read and write), Yes. No (can neither read nor write), or Yes. No (can read but not write).

*Column 8 (Nationality.)*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people.)*—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last permanent residence.)*—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

*Column 11 (Name and complete address of nearest relative or friend in country whence alien came.)*—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

*Column 12 (Final destination.)*—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 13 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

*Column 14 (Whether having a ticket to such final destination.)*—The entry in column 14 should be either Yes (ticket), or No (no ticket).

*Column 15 (By whom was passage paid.)*—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

*Column 16 (Whether in possession of $50, and if less, how much.)*—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

*Column 17 (Whether ever before in the United States; and if so, when and where.)*—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years), and place; as, 1881, U. Philadelphia.

*Column 18 (Coming to join relative or friend, and if so, what relative or friend.)*—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 19 to 29.*—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of an alien arriving, as for example: Civil engineer, statistical engineer, locomotive engineer, marine engineer, house painter, sheet painter, iron worker, wood turner, etc., and not simply as a laborer, worker, mechanic, farmer, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the farmer who possesses it.

Several questionable entries should cause the inspector to question the immigrant, and corrections should be made, if necessary, by the inspector and vouched for by the steamship company, considering the foregoing considerations of alien acts.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language or dialect." If examination is claimed, upon what ground?" In answering this question the language used by the alien to read should be stated. Fluency in reading and claims exempting from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and inaccuracies should be carefully noted by inspectors and seaport clerks in this regard. For instance, "France" appearing under heading of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race should properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South American countries, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year should constitute permanent residence. The last country in which a alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of how short a time he may have been there. The entries in columns 11 should show the country and city or town of last permanent residence. It is suggested to the steamship companies that steamship companies accurately show country of last permanent residence independent of countries of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if going to the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, friend, relative, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (italicized as above) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not Yes or No in the United States before, and if so, the year or period of years and place, as 1901, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Concluding.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to research by inspection officers in the examination of aliens. However, in answering question 29, if alien has been excepted as coming within the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

The manifests shall be in such form as may be prescribed by the Secretary of Labor, and shall contain such other information as he may require as to each alien mentioned therein. The master of the vessel shall also deliver to such immigrant inspector a further list containing the names of all alien passengers who were not embarked thereon at the time of the sailing of the vessel but who subsequently arrived at the port of last departure, and also the names of those, if any, who have been taken off and disembarked, and of those, if any, who have died or become insane, and in case of the failure of such owner, agent, consignee, or master to deliver copies of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or of death or insanity, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of $10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron polisher, wood turner, etc., and not simply as engineer, polisher, molder, turner, another illegible to determination.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is ruled and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)." The manner of this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and mistakes should be carefully pointed out by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Russian alien by race should properly come under the heading of England, Switzerland, or any other country. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

(Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as "1906, Philadelphia."

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—These questions are self explanatory and the answers, like all others on the sheet, are subject to reopening by inspection officers at the examination at place. However, in answering question 20, if alien has been deported within one year and Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make these distinctions and corrections should be made, if necessary, by inspectors and surgeons considering the personal examination of aliens at ports.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language or, if exemption is claimed, upon what ground?" In answering that question the line must be drawn as to whether the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject; country of last permanent residence; and country of birth, and inaccurate answers must be corrected by inspectors and surgeons alerts in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race must properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Acting as an intended residence of one year shall constitute permanent residence. The last country in which a person resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. If permanency for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. "Transit" should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket through to final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, friend, father, brother, or other relative, friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less than much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be included among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place, as, 1902, Philadelphia.

Column 19 (*Whether going to join relatives or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—These questions are not exhaustive and the answers, like all others on the sheet, are subject to revision by inspection officers at the examination of aliens. However, in answering question 23, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of an alien arrived, as far as practicable. Clerks, farmers, laborers, engineers, bookkeepers, tailors, tailoresses, dressmakers, servants, laundresses, nurses, barbers, hairdressers, manicures, chiropodists, launderers, launderesses, dyers, bakers, butchers, engravers, jewelers, goldsmiths, silversmiths, moneyers, mint workers, seal engravers, lens polishers, steel polishers, tool makers, wood turners, etc., and not simply "workmen," "laborers," "helpers," or "servants" unless no better description can be given.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the part he loses by it.

Stewards' accompanying sheets of passengers' baggage, entries, pencil notes, and corrections should be made, if necessary, by the surgeon and purser's assistant using the pens and ink belonging to each steamer.

Column 8 (*Able to read and write*).—This column is to be used to record the answer to the following question: "Can the passenger read or write any language?" In answering this question the word "language" is to be understood to mean the recognized tongue or dialect of a race as distinguished from mere provincialisms. It is sufficient if the alien can read or write the language or dialect of the country whence he came. It is not necessary that he should be able to read and write the English language. If the alien is illiterate, but claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the native people to which each person named belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject. The entry of last permanent residence and country of birth and race should be carefully scrutinized to detect wrong entries in this regard. For instance, "France" as country under "last permanent residence" and "French" for race or people, and, similarly, "Germany" as country under the head of country of birth and "German" for race or people, should not mean "Alsace" by country. An Irish, German, or Russian alien may belong to any race, and should be entered under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South American, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenta of Piedmont, Lombardia, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria, Corsica, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenta of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily and Sardinia) and their descendants, whether residing in Italy or elsewhere, should be classed as "Italian (south)."

Column 11 (*Final destination*).—Intransit or an alien entering for a temporary visit should not be considered as having a permanent residence. The test question in every case is: Where is the alien's permanent home? In answering this question, if the alien has been living in the United States for a year or more, state the place in the United States where he has lived and intends to live permanently. If he has lived in the United States less than a year, state his permanent residence abroad, unless he intends to remain permanently in the United States, in which case state the place in the United States where he intends to live permanently. If he has no permanent residence anywhere, state country of last permanent residence. Intransit aliens, or aliens entering for a temporary visit only, should be entered as to their permanent residence abroad.

Columbia (*Country of last permanent residence of alien*).—Aliens who have lived for one year or more in a country other than that of birth should be entered as to their residence in such country. Aliens who have lived in a country for less than one year should be entered as to their residence in the country previous to that in which they have lived for less than one year. Aliens who have lived in several countries for periods of less than one year should be entered as to residence in the country in which they have lived the longest during the past five years.

Columbia (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. A temporary residence of one year does not constitute permanent residence. The entry should show definitely the place in the United States or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes or No (as the case may be).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as "self," "husband," "father," "mother," or other relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50, and how much*).—The answer should be yes or no in each case (Yes or No), the exact amount of money shown. Money brought by the head of a family should not be classed as that of the several members of the family.

Column 18 (*Whether ever in the United States, and if so, when and where*).—The entries should show whether or not "Yes" or "No" in the United States before, and if so, the year (or period of years) and place, as "1903, New York," "1900–1907, Chicago," etc.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address thereof.

Columns 20 and 21.—These questions are self-explanatory and the answers, like all others on the sheet, are not to be answered by inspection officers in the ordinary course of events. However, in exceptional cases, where the alien has been detained and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

*Column 2 (Head tax status).*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4: *Age.*—Ages stated in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5: *Sex.*—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each person aged 10 years or over, for example: Clerk, stenographer, dressmaker, salesman, laborer, servant, engineer, painter, printer, tailor, shoemaker, carpenter, mason, weaver, farmer, merchant, manufacturer, butcher, baker, cook, barber, etc., and not simply as gentleman, lady, student, farmer, laborer, or housekeeper.

A distinction should be made between farm laborers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who performs chores on the farm, milks, and does such other work as is usually done by farm hands.

Stamped or printed occupations should be scrutinized carefully, and corrections should be made, if necessary, by the inspectors and clerks before the lists are signed and sworn to.

Column 8 (*Able to read and write*).—This column is subdivided under the question: "Can read" and "Can write." In answering this question the inspector will be governed by the following rules: If the alien can read and write his native language or dialect, the answer should be "Yes" to both questions. If he can read but not write, the answer should be "Yes" to "Can read" and "No" to "Can write." If he can do neither, the answer should be "No" to both questions. If the alien is unable to read, but can write, the answer should be "No" to "Can read" and "Yes" to "Can write." Children under 10 years of age, who cannot be expected to read or write, should be entered in these columns as "Yes" or "No," according to the ability of the child. Persons unable to read or write are required by law to be detained for special inquiry, unless specifically exempted from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject; country of last permanent residence, and country of birth, and inquiries should be promptly pursued by inspectors and boards of special inquiry in all cases requiring such action. The term "French" by race or people, and, similarly, "French" as a race under the head of country does not mean "French" by country. An Irish, German, or Hebrew alien by the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following instructions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whatever may be their present nationality, America Harmony, or any other example, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whatever may be their present nationality.

Column 11 (*Last permanent residence*).—Answer as to the country in which the person has resided one year or more and which he regards as his permanent residence. The last country in which such person has resided a year or more, even though a part of such time may have been passed in the United States, should be stated. Persons who have been in transit through one country only en route to the United States should not report the country through which they have passed as the country of their permanent residence. Persons who have come to the United States for a visit only, or for a temporary stay, should report as the country of their permanent residence the country of last permanent residence, meaning thereby the country in which they have resided for a year or more and in which they have established a home. Persons who have been in the United States for a year or more, and who have gone abroad for a visit only or for temporary purposes, intending to return to the United States, should report as the country of their permanent residence the country of last permanent residence, meaning thereby the country of birth, nationality, or race.

Column 12 (*Name and complete address of relative in country whence alien came*).—The answer should be country of last permanent residence of alien as to the permanent residents of the United States and country of last permanent residence abroad of aliens who are not permanent residents of the United States.

Column 12 (*Name and complete address of relative in country whence alien came*).—The alien entering from a visit abroad should be recorded "United States."

Column 13 (*Final destination*).—The answer to this question should show the intended immediate permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city, or town of intended future permanent residence in the United States, or country if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other person, friend, steamship company, etc.

Column 16 (*Whether in possession of $50 and if less how much*).—The answer should be Yes or No in each case. Money brought by the immigrant or by the family should (individual or family) the exact amount of money shown. Money carried by the family should not be divided among the several members of the family.

Column 17 (*Whether ever in the United States, and if so, when and where*).—The entries should show whether or not the alien has been in the United States before, and if so, the year or period of years and place, as "1903, New York."

Column 18 (*Whether going to join relative or friend, and if so, what relative or friend, with name and complete address of same*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address of same.

Questions 20 to 33.—These questions are self-explanatory and their meanings will appear on the sheet. They are to be answered by inspectors in the case of all aliens, whether immigrants or not. Question 33 is to be answered only in the case of aliens who are required to report their addresses under the provisions of section 4 of the act of May 16, 1918, and the answer to this question should show the address where such alien will be found for the purpose of mailing to him notices of the time and place at which he will be required to appear for examination by the officials charged with the administration of the immigration laws. Any alien who has been ordered deported and who has been authorized to apply for admission, the authority for such reapplication should be given.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of the arrivals.

Column 8 (*Can read and write*).—This column usually is ruled and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]?" In answering this question the language or alphabet the alien is able to read should be stated. If alien is read to, read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 2 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given on said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and members should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the heading of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Russian alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereof. The entry in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be recorded among the several members of this family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1901, 1907, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join father, a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—These questions are self-explanatory and the answers, like all others on the manifest, are subject to revision by inspection officers in the examination of aliens. However, in answering question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien person, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other too indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and deputy clerks during the personal examination of aliens at ports.

Column 8 (*Able to read and write*).—This column should be filled to answer the following question: "Read what language or dialect?" If examination is claimed, upon what ground? In answering this question the inspector or clerk will state if the alien is able to read, should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and questions should be carefully passed by inspectors and deputy clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race or people, as the case may be, born in England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which a alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereat. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show or ascertain last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*)—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, by friend, father, brother, or other relatives, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much.*—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever in U. S., and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1901, Chicago.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to question by inspection officers in the examination of aliens. However, to supplement question 20, if alien has been deported within one year and the secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, E. J. O'Neill, master, of the A. C. Lorenzo Castle, from Havana, do solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, three in number, and that from the report of said surgeon, and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

E. J. O'Neill, Master

Officer.

Sworn to before me this 25 day of November, 1919

at Key West, Fla.

U. S. Gaffney

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and secretary clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following questions: "Read what language (or, if exemption is claimed, upon what ground)." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the read-and-write requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence and country of birth, and manifests should be carefully revised by inspectors and secretary clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether coming in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a patois dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which a alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence therein. The entry in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning after a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative.—If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence.—An intended residence of one year shall constitute permanent residence.—The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1891–1895, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers to the examination of aliens.—However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials.

Column 3 (*Age*).—The answer to this column should be expressed in years or months, the latter applying to those under 1 year of age.

Column 4 (*Sex*).—The entry should be either M (male) or F (female).

Column 5 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation (trade or profession) of each alien named, as for example: Coal engineer, shoemaker's engineer, lumberman, sawmill worker, farmer, servant girl, tailor, cook, painter, wood turner, etc., and not merely laborer, factory worker, servant, or other indefinite designation.

A common laborer should be many but not farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer means one who operates a farm, either for himself or for others.

A farm laborer is one who performs labor on a farm for the farm owner or tenant.

Steamship companies should make every effort to see that the occupations and correct titles should be made, if necessary, by questioning each passenger before completing the manifests at ports of embarkation.

Column 8 (*Last permanent residence*).—Where a person has resided for one year or more in a country, that country should be entered as the country of last permanent residence, regardless of intervening visits to other countries. Visits of less than one year to countries other than that of last permanent residence should be disregarded in determining the country of last permanent residence. Persons who have resided for one year or more in the country from which they sail should be considered as having their last permanent residence there, regardless of their intention sometime to return to their former homes. Temporary visits abroad of residents of the United States, such as visits for business or pleasure, or while in the employ of the Government of the United States or of the government of a State, Territory, or possession of the United States, or of the District of Columbia, or of a municipal government therein, or while in the employ of a railroad company or steamship company engaged in the transportation of passengers or freight between the United States and foreign countries, or between the United States and its Territories or possessions or the District of Columbia, do not constitute a change of last permanent residence.

Columns 9 to 11 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

The word "race," as used in question 12, the distinction between race and the country of which citizen or subject, country of last permanent residence and country of birth, and in each case should be carefully considered and properly shown in this regard. # INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years as follows: Under 1 year, state months, applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Whether married or single).*—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each person, as, for example, farmer, engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, cabinet polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or laborer. Indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections necessary, by inspectors and registry clerks during the examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries should be Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether born in the United States or Austria-Hungary, or elsewhere, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last permanent residence).*—An intended residence of one year shall constitute permanent residence. The last country in which aliens lived with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence thereat. The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes and steamship companies accurately to know country of last permanent residence independent of country of temporary residence, and manifests must

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

*Column 11 (Name and complete address of nearest relative or friend in country whence alien came).*—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

*Column 12 (Final destination).*—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 13 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

*Column 14 (Whether having a ticket to such final destination).*—The entry in column 14 should be either Yes (ticket) or No (no ticket).

*Column 15 (By whom was passage paid).*—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

*Column 16 (Whether in possession of $50; and if less, how much).*—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

*Column 17 (Whether ever before in the United States; and if so, when and where).*—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1901-07, Philadelphia.

*Column 18 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

*Columns 19 to 29.*—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, A. H. Rostron, master, of the Steamship Carpathia, from Southampton via Cherbourg and Queenstown solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifests of Alien Passengers, 16 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is afflicted with any of the diseases or mental or physical defects described in section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

A. H. Rostron
Master.

Sworn to before me this 27th day of April, 1912

Immigration Officer.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of an alien on arrival, as for example: Clerk, engineer, stenographer, bookkeeper, merchant, farmer, laborer, servant (specifying kind), tailor, seamstress, milliner, carpenter, mason, painter, shoemaker, blacksmith, cooper, weaver, locksmith, glassblower, miner, butcher, etc., and not simply as "laborer," "servant," "clerk," "mechanic," "manufacturer," "dressmaker," or "agent."

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A "farmer" is one who operates a farm, either for himself or for others.

A "farm laborer" is one who works on a farm for a day rate, a by-the-month rate, or by the year.

Stewardesses accompanying vessels should be described as such, and correctations should be made, if necessary, by the surgeons employed to examine them.

Column 8 (*Ethnology*).—This column is to be filled in according to the following classification:

Column 9 (*Nationality*).—Answers in 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people of which each alien is a member.

Special attention should be paid to the distinction between race and the country of which the alien is a subject, country of last permanent residence, and country of birth. Such inconsistencies should be rectified by the inspector and attention called to them in the report. For instance, a native of Germany, who has lived in this country for many years, should not be returned as a native of Germany, but should be returned as a native of the country of which he is a citizen or subject, usually the United States. Likewise, a person born in the island of Cuba of Spanish parents should not be returned as a native of Spain, but as a native of Cuba. Natives of Ireland, Scotland, Wales, or England should not be returned as natives of "Great Britain," but should be returned as natives of Ireland, Scotland, Wales, or England, as the case may be. Natives of Canada, Newfoundland, Australia, New Zealand, India, and other British colonies should not be returned as natives of "Great Britain," but should be returned as natives of Canada, Newfoundland, Australia, New Zealand, India, etc., as the case may be. In connection with the following instructions should be reasonably observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether native from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or last intended residence for one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining over or more shall be the last permanent residence, regardless of how short a time they may have resided in the last permanent residence. It is essential that in column 11 should show the country and city or town of last permanent residence. It is essential for statistical purposes that steamship companies properly show and correct last permanent residence independent of country of temporary residence, country of both nationality and race.

Country of last permanent residence of aliens who come to the United States and are returning to a vessel should record "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. Uncertain, unsettled, and undecided, the place only or town of intended future permanent residence, if within the United States, country, if outside the United States.

Column 14 (*Whether having a ticket through to final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative (name), friend (name), steamship company, etc.

Column 16 (*How much money in possession of alien, not less than $50*).—Money to be reported by the head of alien should include all money, whether in possession of himself or of his family.

Column 17 (*Whether ever before in the U. S., and if so, when and where*).—The entry should show whether or not Yes or No in the United States before, and if so, the year or period of years and place, e. g., Yes, 1906, Philadelphia.

Column 18 (*Whether going to join a relative or friend, and if so, what relative or friend, with name and complete address*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—These questions are self-explanatory and the answers, like all others, should be carefully recorded by the inspector in charge in the examination of aliens. Answering to the seventy-second question 23, if alien has been deported, write the word and the Secretary of Labor has authorized him to reapply for admission, the authority for such application should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, A. H. Porter, master, of the Steamer, from Southampton

solemnly swearing, say that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a careful and careful examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

A. H. Porter
Master

Sworn to before me this 28 day of August, 1914

at New York

[illegible]
Immigration Officer.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

(Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

(Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

(Column 5 (*Sex*).—The entry should be either M (male) or F (female).

(Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

(Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, locomotive engineer, farmer, merchant, tailor, shoemaker, cabinet maker, clerk, etc., and not simply "laborer" (unskilled), "mechanic" (skilled), "servant," or other indefinite terms.

A distinction should be made between farm hands and farm laborers, regardless of the amount of money shown in possession.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who performs work on a farm for the benefit of the operator of it.

Steamship agents are directed to examine carefully all the manifests, and correction should be made, if necessary, by the agents and security before delivering the original manifests to the master.

(Column 8 (*Able to read and write*).—This column is to be filled out to answer the question: "Read what language (or dialect)?" in the case of each alien who can read. If the alien can not read, but can write, the answer should be stated. If the alien is unable to read and claims exemption from the reading requirement, the word *no* should be entered.

(Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

(Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given on said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence and country of birth, and manifests should be carefully prepared in respect to said matters in this regard. For instance, Finnish" appearing under head of country does not mean "Finland" but race or people, and similarly "French" appearing under the head of country does not mean "France" but race or people. So with "Germans" or "Hebrews" and the like. If any of these peculiar conditions not exist, "France" for example, "Germany" or "Russia" or other country, the manifest should properly name under the heading of "Finland," "Scotland," or any other country. In this connection the following racial terms should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or Central America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, Perugia, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian (south)."

(Column 11 (*Last permanent residence*).—Actual or intended residence is the point desired, not permanent residence. The last country in which alien resided with the intention of remaining one year or more and to which alien returned after a temporary absence of at least 6 months is the last permanent residence intended. The object in asking for this information is to show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show countries of last permanent residence under penalties of inquiry of foreign-born residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are possessors residents of the United States and are returning from a visit abroad should be recorded "United States."

(Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

(Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place to city or town and intended future permanent residence, if within the United States; country, if outside the United States.

(Column 15 (*Is he going to join a relative or friend, and if so, what relative or friend, and where?*).—The answer should be either Yes (ticket) or No (no ticket).

(Column 16 (*Have you paid for your ticket, and if not, who paid for it?*).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, other relative, friend, steamship company, etc.

(Column 17 (*How much money have you with you?*).—Immigrants should state in each case the amount of money in their possession. Money brought to the land of liberty should not be counted among the personal possessions of the immigrant.

(Column 18 (*Have you ever been in the United States before, and if so, when and where?*).—The entries should show whether or not "Yes" or "No" to the United States before, and if so, the year or period of years and place, as "1905—New York City."

(Column 19 (*Whether going to join relatives or friend, and if so, what relatives or friend?*).—The answer should be "Yes" (going to join either a relative or friend) and if so, what relative or friend, with name and complete address.

(Columns 20 to 24.—These questions are mostly self-explanatory and the answers, like all others on the sheet are subject to inquiry by immigrant officers to the examination of aliens. However, in answer to question 24, whether has been deported at own cost and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

Hamburger, surgeon of the American Steamship Company, sailing steamship [illegible], do solemnly and truly declare that I have had 30 years' experience as a Surgeon and [illegible] that I have carefully inspected each and every one of the [illegible] passengers, and that I have made a personal examination of each of the cases named herein, and that the foregoing List or Manifest Sheets, [illegible] (in number) according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2. *Head tax status.*)—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6 (*Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation.*)—The entry should describe as accurately as possible the occupation (trade, or profession) of an alien on leaving arrival as, for example, Chief engineer, mechanical engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, tool maker, wood turner, etc., and not simply "engineer," "polisher," "maker," "turner," or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as follows:

A person owning who operates a farm, either for himself or for others.

A farm laborer working for wages on a farm for the man who operates it.

Answers incompletely entered, illegible, inaccurate, or not in accordance with the instructions, should be made, if necessary, by inspectors and readers, considering the personal examination of each alien.

Column 8. *Able to read and write.*—That column is self-explanatory and contains the literacy question. "Read what language (or dialect)" is optional, when asked, "In answering this question the test given to the alien is to be read should be stated. If alien is unable to read and claims exemption from the literacy requirement, the ground for such exemption should be given.

Column 9 (*Nationality.*)—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people.*)—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special regard should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and particular attention should be directed to the questions and replies as to this regard. For instance, "Hungarian" appearing under the heading country of which citizen or subject" by race or people and similarly, "French" appearing under the heading race or people does not mean "France" by country. An Irish, German, or Hebrew alien may not reside properly in any one of the countries of England, Switzerland, or any other country. In this connection the following directions should be respectfully observed:

CUBAN.

The term "Cuban" refers to the Cuban people and not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba, other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these peoples speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as per examples: Coal engineer, stationary engineer, locomotive engineer, railroad engineer, house painter, sign painter, iron molder, wood turner, etc., and not simply as "engineer, molder, turner, or other indefinite description."

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer means one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the good who controls it.

Steamship companies should make their figures legible on the manifests, and corrections should be made, if necessary, by persons competent to verify them during the personal examination of aliens at ports.

Column 8 (*Can read and write*).—This column should be filled in to show the following question: "Read what language (or, if exemption is claimed, upon what ground)." In answering this question the inspection officer should ask the alien to read a few lines selected. If alien pretends not to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given 13 said List.

Special attention should be paid to the distinction between race and the country of which a citizen or subject, country of last permanent residence, and country of birth, and no mistake should be excused; record by respective and separate circles in this regard. For instance, "France" appearing under the heads of country does not mean "French" be race or people, and similarly, "French" appearing under the head of race or people does not mean "France" be country. A Irish, German, or Bohemian may be a race, people, or nationality, but may not be a country. All such persons should be recorded properly—some under the heading of England, Switzerland, or any other country. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or Central America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or intended residence for the year next following permanent residence. The last country in which alien resided with the intentional purpose of remaining for the last permanent residence regardless of length of actual residence thereon. The reason in coming to should show the country and city or town of last permanent residence. It is important for statistical purposes that persons up competent to accurately show country of last permanent residence (place of birth), country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The port, town, and state to which the alien is destined, the place of his or her intended future permanent residence, if within the United States, complete. If outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15. *If not, whether sum sufficient has been paid.*—The entry should show determinable by whom passage was paid, as self, by parent, father, brother, or other relative, friend, steamship company, etc.

Column 16. *Whether in possession of $50, and if less, how much.*—Inspectors should enter in each case whether alien has $50 or more, and if less, the amount shown. Money brought by the head of a family should not be counted among the funds possessed by female.

Column 17. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether alien has ever been in the United States before, and if so the year or period of years and place, as "1903, New York," "Dec. 1907, Philadelphia."

Column 18. *Whether going to any relatives or friend, and if so, what relatives or friend.*—The entries should show whether going to join father, a relative or friend, and if so, what relatives or friend, with name and complete address.

Columns 20 to 23.—These questions are self-explanatory, and the answers, like all others on the sheet, are put to be answered by inspection officers in the examination of aliens at ports. However, in answering question 23, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, A. H. Poston, master, of the Lancastria, from Southampton, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 10 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

A. H. Poston
Captain Master.

Sworn to before me this 24 day of November, 1919

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, "Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc.," and not simply as "engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains three following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 28, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

## AFFIDAVIT OF SURGEON

I, A. W. Mackenzie, Surgeon of the Mauretania, sailing thereon, do solemnly, sincerely, and truly declare that I have had 30 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of R. C. & P. S. Edinburgh, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 15 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

A. W. Mackenzie

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the conditions of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

## LIST OF RACES OR PEOPLES

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, C. H. Foster, master, of the Mauretania, from Southampton; do solemnly, sincerely, and truly declare, that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests [illegible] each of said aliens named therein is correct and true in every respect.

C. H. Foster
Master Officer.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" for country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not Yes or No, in the United States before, and if so, the year or period of years and place, as, 1903, 1908; Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 2, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

## AFFIDAVIT OF SURGEON

I, A. W. MacGregor, Surgeon of the Mauretania, sailing herewith, do solemnly, sincerely, and truly Swear that I have had 30 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of R. C. & T. P. S. Edinburgh, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, No in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

## LIST OF RACES OR PEOPLES

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, A. H. Rostron, Master, of the Mauretania, from Southampton, Sept 7 '19, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. 15 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

A. H. Rostron
Officer.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and reviewing clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or peoples as given on said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and reviewing clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under this heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friends, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place, as 1894, 1895, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join other a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers at the examination of aliens. However, in answering question 26 if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

## AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the [illegible], sailing from [illegible] do solemnly [illegible] that I have had 30 years' experience as a Physician and Surgeon [illegible] that I am entitled to [illegible] such by and under the authority of R. C. & P. S. [illegible], and that I have made a personal examination of each of the aliens named herein, and that the [illegible] Lists or Manifest Sheets, 160 in number, according to the best of my knowledge and belief, are [illegible] and true in all particulars, relative to the mental and physical condition of such aliens.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entre should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race or people comes under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereat. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case individual or latest available exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (yes) or No) in the United States before, and if so, the year (or period of years) and place, as, 1894, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 43.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

I, [illegible], of the [illegible], from [illegible], do solemnly, sincerely, and truly declare, That I have caused the surgeon of said vessel sailing therewith, or one surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifests of Aliens, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of the immigrant inspector only.

Column 3 (*Age*).—The age given in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry should be either M (male), or F (female).

Column 5 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation (trade or profession) of each person aged 14 or more, such as farmer, laborer, boatman, carpenter, engineer, tailor, painter, shoemaker, weaver, merchant, clerk, and not simply "servant," "student," "lady," "gentleman," or other indefinite description.

A laborer should be made between a farmer and farm laborer, regardless of the amount of money shown on the person.

A [illegible] who operates a farm, either for himself or for others.

A "farm laborer" should never be entered as a farmer for the reason that he operates it.

Compound occupations should be avoided, as far as possible, and corrections should be made, if necessary, by the examining inspector, on the immigrants' manifests.

Column 8 (*Can read and write*).—This column is to be filled with the word "yes" in answering the question: "Can read and write?" if the person can read and write; otherwise with the word "no." In answering this question the language in which the person is required to read should be stated. Election to read and claims exemption based on the fact that the applicant has resided for more than three years in the United States may be made in this column. The inspector requires this ground for such examination should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in such list.

Special inquiry should be made as to the distinction between race and the country of which aliens or subjects are citizens or subjects. Persons of different races sometimes have the same nationality, and persons of the same race frequently have different nationalities. For instance, "Irish" appearing under the head of race does not mean "France," but a race or people, and, similarly, "French" appearing under the head of race does not mean "France," but a country. An Irish, German, or Hebrew citizen by race should be so described, and not under the heading of England, Switzerland, or any other country. In this connection the following observations should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in the mother land, America (Europe), or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residing in the mother country, America, or any other country, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Answer as to the country of which alien last had a permanent residence, which he left voluntarily and with the intention of returning to live permanently. Temporary visits abroad should not be considered. Thus, a person who has lived in Germany for 20 years, but who has always had the intention of returning to his former home in Italy, should state that his last permanent residence was in Italy. Intention to return to former home may be shown by the fact that the person's family has remained there, or that he has retained property interests there, or by similar circumstances. Where no such evidence of intention to return exists, the country where the person has resided for one year or more should be stated. Where the person has resided in two countries for more than one year each, the country last resided in should be given. Residence for the purpose of study, as in the case of students, does not constitute residence within the meaning of the law. Where the person has resided for one year or more in the United States and has returned to the country whence he came, the entry should be "United States."

Column 12 (*Vessel and complete address of person to whom immigrant is going*).—The entry should give name and address of such relative. If no such relative is living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question should indicate future permanent residence. An intended residence of one year does not constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, and not merely the State in the United States.

Column 15 (*Whether having a ticket to his final destination*).—The answer should be either Yes (in full) or No (in full).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as well, in case of father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50 and if less, how much*).—The words "over" or "under" should be used, the exact amount of money shown. Money brought by Go'ernment families should not be counted as the property of individual members of the family.

Column 18 (*Whether going to join a husband, father, or other relative in the United States, and if so, what relative and where*).—The entry should show whether going to join husband, father, or other relative, and if so, the name and address of such relative.

Column 19 (*Whether going to join relatives or friends, and if so, what relatives or friends*).—The answer should indicate whether going to join relative or friend, and if so, what relative or friend, with name and address of such person.

Column 20 (*Sex*).—These questions as to sex, marriage, and the answers like all others on the list, are supposed to pertain to persons of the nationality of aliens. However, in answering question 20, if aliens has been deported previously on any ground, the Bureau of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

A.3.

I, R. H. MacLaren, Surgeon of the Franconia, Marine Hospital, do solemnly, sincerely, and truly declare, that I have had 30 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Physicians & Surgeons Edinburgh, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 31 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3 (*Age*).—The entry in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry should be either M (male) or F (female).

Column 5 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation (trade or profession) of each alien, as, for example, 1 [illegible] engineer, 1 steam engine fireman, 1 [illegible] laborer, 1 [illegible] tailor, 1 [illegible] dressmaker, 1 [illegible] cook, 1 [illegible] waiter, 1 [illegible] servant, 1 [illegible] merchant, 1 [illegible] clerk, 1 [illegible] boy, 1 [illegible] girl, 1 [illegible] gentleman, 1 [illegible] lady, 1 [illegible] farmer, 1 [illegible] farm laborer, 1 [illegible] miner, 1 [illegible] blacksmith, 1 [illegible] carpenter, 1 [illegible] mason, 1 [illegible] painter, 1 [illegible] shoemaker, 1 [illegible] tailor, 1 [illegible] weaver, 1 [illegible] baker, 1 [illegible] butcher, 1 [illegible] locksmith, 1 [illegible] gunsmith, 1 [illegible] machinist, 1 [illegible] printer, 1 [illegible] bookbinder, 1 [illegible] engraver, 1 [illegible] cabinetmaker, 1 [illegible] wheelwright, 1 [illegible] harness maker, 1 [illegible] saddler, wood turner, etc., and not merely 1 laborer, 1 servant, 1 [illegible], or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown in possession.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm, for the owner, who supervises it.

Several conflicting decisions have been rendered in the past, and corrections should be made, if necessary, by immediate and positive entry showing the intention of aliens generally.

Column 8 (*Nearest relative or friend in country whence alien came*).—The question: "Have at least fifty dollars in possession, or is passage paid, or is he in part or in whole supported by friends or relatives, and if so, by whom?" is intended to prevent the admission of persons likely to become public charges. In answering this question the word "friends" should be construed to mean persons who have the means and willingness to support the alien, and the word "relatives" should be construed to mean persons who have the means and willingness to support the alien, the ground for such exemption showing the relationship.

Columns 9 (*Race or people*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Columns 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special care should be paid to the distinction between race and the country of which citizen or subject, as given in last preceding two items, and entries should be carefully revised by supervising and inspection officers in charge. For instance, Lithuanians, Livonians, Courlanders, Finns, Esthonians, Letts, Russian Hebrews, Russian Poles, Russian Germans, Russian Bohemians, Moravians, Austrian Hebrews, Austrian Poles, Austrian Germans, Austrian Bohemians, Moravians, Hungarian Hebrews, Hungarian Poles, Hungarian Germans, Hungarian Bohemians, Moravians, Roumanians, Roumanian Hebrews, Roumanian Poles, Roumanian Germans, Roumanian Bohemians, Moravians, Turkish Hebrews, Turkish Poles, Turkish Germans, Turkish Bohemians, Moravians, Dalmatians, Bosnians, Herzegovinians, Croatians, Slavonians, Montenegrins, Albanians, Greek Hebrews, Greek Poles, Greek Germans, Greek Bohemians, Moravians, Spanish Hebrews, Spanish Poles, Spanish Germans, Spanish Bohemians, Moravians, Portuguese Hebrews, Portuguese Poles, Portuguese Germans, Portuguese Bohemians, Moravians, Italian Hebrews, Italian Poles, Italian Germans, Italian Bohemians, Moravians, Scotch Hebrews, Scotch Poles, Scotch Germans, Scotch Bohemians, Moravians, English Hebrews, English Poles, English Germans, English Bohemians, Moravians, Irish Hebrews, Irish Poles, Irish Germans, Irish Bohemians, Moravians, Swedish Hebrews, Swedish Poles, Swedish Germans, Swedish Bohemians, Moravians, Norwegian Hebrews, Norwegian Poles, Norwegian Germans, Norwegian Bohemians, Moravians, Danish Hebrews, Danish Poles, Danish Germans, Danish Bohemians, Moravians, Dutch Hebrews, Dutch Poles, Dutch Germans, Dutch Bohemians, Moravians, Flemish Hebrews, Flemish Poles, Flemish Germans, Flemish Bohemians, Moravians, French Hebrews, French Poles, French Germans, French Bohemians, Moravians, Finnish Hebrews, Finnish Poles, Finnish Germans, Finnish Bohemians, Moravians, Russian Hebrews, Russian Poles, Russian Germans, Russian Bohemians, Moravians, Slovak Hebrews, Slovak Poles, Slovak Germans, Slovak Bohemians, Moravians, Bulgarian Hebrews, Bulgarian Poles, Bulgarian Germans, Bulgarian Bohemians, Moravians, Servian Hebrews, Servian Poles, Servian Germans, Servian Bohemians, Moravians, Lapp Hebrews, Lapp Poles, Lapp Germans, Lapp Bohemians, Moravians, Finnish Hebrews, Finnish Poles, Finnish Germans, Finnish Bohemians, Moravians, Turkish Hebrews, Turkish Poles, Turkish Germans, Turkish Bohemians, Moravians, Armenian Hebrews, Armenian Poles, Armenian Germans, Armenian Bohemians, Moravians, Syrian Hebrews, Syrian Poles, Syrian Germans, Syrian Bohemians, Moravians, Arabian Hebrews, Arabian Poles, Arabian Germans, Arabian Bohemians, Moravians, Persian Hebrews, Persian Poles, Persian Germans, Persian Bohemians, Moravians, Chinese Hebrews, Chinese Poles, Chinese Germans, Chinese Bohemians, Moravians, Japanese Hebrews, Japanese Poles, Japanese Germans, Japanese Bohemians, Moravians, Hindu Hebrews, Hindu Poles, Hindu Germans, Hindu Bohemians, Moravians, East Indian Hebrews, East Indian Poles, East Indian Germans, East Indian Bohemians, Moravians, Mexican Hebrews, Mexican Poles, Mexican Germans, Mexican Bohemians, Moravians, West Indian Hebrews, West Indian Poles, West Indian Germans, West Indian Bohemians, Moravians, Cuban Hebrews, Cuban Poles, Cuban Germans, Cuban Bohemians, Moravians, Central American Hebrews, Central American Poles, Central American Germans, Central American Bohemians, Moravians, South American Hebrews, South American Poles, South American Germans, South American Bohemians, Moravians, Negro Hebrews, Negro Poles, Negro Germans, Negro Bohemians, Moravians, Indian Hebrews, Indian Poles, Indian Germans, Indian Bohemians, Moravians, Other Hebrews, Other Poles, Other Germans, Other Bohemians, Moravians, Stateless Hebrews, Stateless Poles, Stateless Germans, Stateless Bohemians, Moravians, Unknown Hebrews, Unknown Poles, Unknown Germans, Unknown Bohemians, Moravians, Total Hebrews, Total Poles, Total Germans, Total Bohemians, Moravians, Total Aliens, Total Citizens, Total Passengers, Total Crew, Total Passengers and Crew, Total Passengers and Crew, Total Passengers and

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head tax exempt*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each person arrived, as for example: Clerk, compositor, mariner, merchant, housewife, servant, laborer, tailor, baker, blacksmith, carpenter, farmer, etc., and not merely laborer, gentleman, lady, boy, girl, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown.

A laborer is one who operates a farm, either for himself or for others.

A farmer is one who owns or hires and manages a farm.

A farm laborer means one who works on a farm for the owner, and corrections should be made.

Should a person report a trade or profession at which he has worked in the past, but which he is not now following, the present occupation should be recorded, as for example: Clerk, but formerly a carpenter, if unemployed at the time of sailing. If no occupation, that fact should be stated.

If necessary to indicate whether skilled or unskilled, the following classification may be used: Skilled laborer, meaning one who has learned a trade requiring apprenticeship; semiskilled laborer, one who has followed a trade for which no apprenticeship is necessary; unskilled laborer, one who has no trade.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race to which each alien belongs.

Special attention is called to the distinction between race and the country of which a citizen or subject. ## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

**Separate sheets should be prepared for each port at which passengers embark.**

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 5. Age.—Entries in this column should be expressed in years or months, the latter applying to infants under 1 year of age.

Column 6 (*Sex*).—Write after each name M (male) or F (female).

Column 7 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 8 (*Calling or occupation*).—The entry should show as accurately as possible the occupation, trade, or profession of each person, as laborer, farmer, merchant, tailor, seamstress, shoemaker, carpenter, cook, barber, wood turner, etc., and not simply laborer, servant, or student. Persons without occupation should be reported as such.

A laborer is one who performs unskilled labor for his support, regardless of the amount of money shown in possession.

A farmer is one who cultivates a farm, either for himself or for others.

A person having no fixed occupation should be reported as such, and not as laborer.

If necessary, the manifest may be ruled, leaving the proper number of lines between persons, so that each family may be kept together. Each individual must be accounted for, and no "ditto" marks will be allowed. Should the number of persons in a family exceed the space on one page, the fact should be noted at footing of page, and the family group carried to next page.

Column 9 (*Nationality*).—Question 9 should be considered to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people of which each alien belongs. The word "Hebrew" should not be used to indicate race or people, but the distinction between race and the country of which citizen or subject should be carefully observed. Such persons should be reported as of Jewish race, and nationality as of country from which they came. Special attention is directed to the following descriptions, which should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Spanish South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be reported under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Liguria, Lombardia, and Venezia, and those provinces, whether residing in those compartimenti or elsewhere, of other compartimenti, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

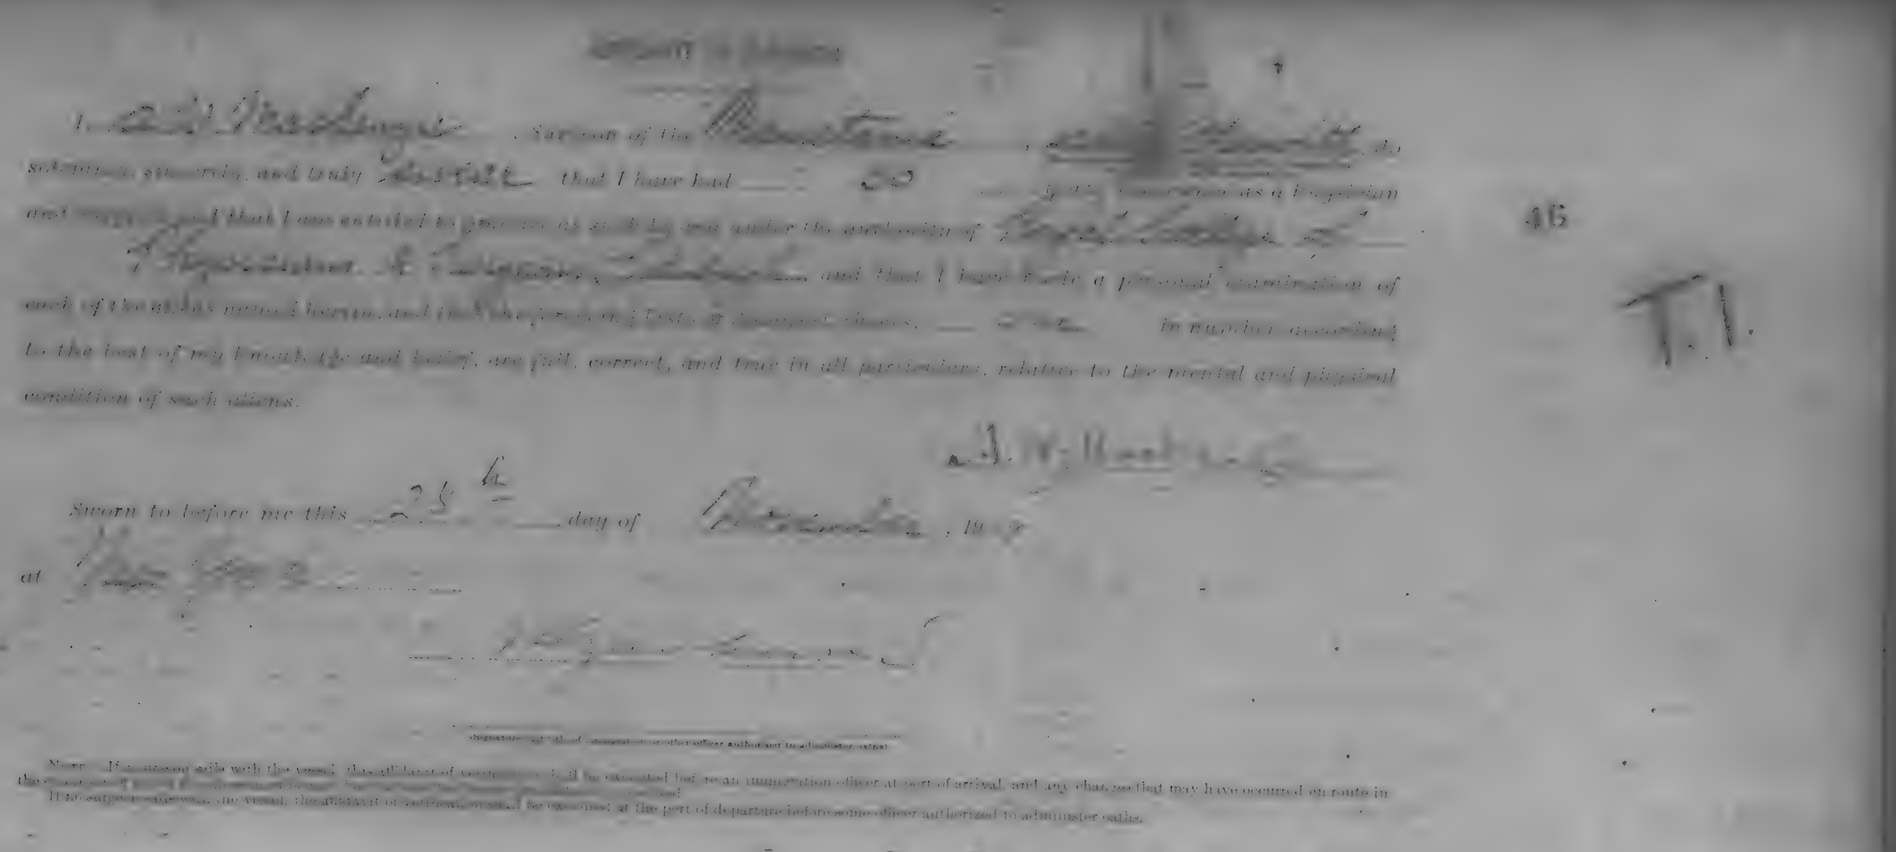
The people who are natives of that part of Italy south of the basin of the River Po (i. e., compartimenti of Marche, Umbria, Lazio, Toscana, the Provincia Romana, Abruzzi e Molise, Campania, Puglia, Basilicata, Calabria, Sicilia, and Sardegna, and those provinces, whether residing in those compartimenti or elsewhere, of other compartimenti, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Answers to this question should show the country in which each alien has had a home for one year or more immediately preceding his coming to the United States. If two or more aliens in a family have had the same last permanent residence for one year or more, it will be sufficient to write the name of the country after the name of the first alien in the family who has had it as his last permanent residence, and to indicate the other aliens in the family who have had the same last permanent residence by ditto marks. If any alien has been a resident of Canada, Cuba, Mexico, Newfoundland, or adjacent islands for one year or more, the country in which he has resided should be reported. Residence in Canada, Cuba, Mexico, Newfoundland, or adjacent islands for a period of less than one year should not be reported. Nonresidents of the United States and temporary visitors to Canada, Cuba, Mexico, Newfoundland, or adjacent islands should not be reported as having acquired a last permanent residence in those countries.

Column 12 (*Name and address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If nearest relative living give name as follows: Father, mother, husband, wife, child, brother, sister, uncle, aunt, cousin, friend.

Column 13 (*Final destination*).—The answer to this question should show the intended future permanent residence. A complete address of some responsible person should be given. Aliens in transit through the United States should write "In transit through the United States."

Column 14 (*Whether going to join relative or friend, and if so, what relative or friend, and whether such relative or friend has sent money to pay for passage or transportation*).—The answer should be either Yes (or Ja) or No (or Nein).



Column 15 (*By whom was passage paid*).—The entry should show distinctly by whom passage was paid, as "Self," "Father," "Husband," "Brother," "Sister," "Uncle," "Aunt," "Cousin," "Friend," "Employer," etc. If passage was paid by a society, institution, or other organization, the name of such should be given. Money brought by the alien for his own use should be reported as "Self." Money received from relatives, friends, or others by the alien at the time of landing should not be reported as money "accompanying" the alien.

Column 16 (*How much money has alien with him?*).—The entry should show the amount of money in the possession of each alien, whether he has $1 or $1,000 or more. The entry should show the amount of money in the possession of each alien, whether he has $1 or $1,000 or more. The entry should show the amount of money in the possession of each alien, whether he has $1 or $1,000 or more.

Column 17 (*Whether ever before in the United States, and if so, when and where*).—The entry should show whether the alien has been in the United States before, and if so, the year or period, and place, as "1903, New York."

Column 18 (*Whether going to join a relative or friend; and if so, what relative or friend*).—The answer should be as follows: Going to join a relative or friend, and if so, what relative or friend, as husband, wife, father, mother, brother, sister, uncle, aunt, cousin, friend.

Columns 19 and 20.—These questions are to be answered by inspection officers only. However, as steamship agents are obliged to report to inspection officers the information called for by these questions, it is necessary that they be answered correctly. In the event of there being insufficient room to reapply for admission, the authority for such reapplication should be given.
